My Dear Ajja,

It was indeed kind of you to respond to our invitation. My parents in law were very happy to receive your greetings. We named the child as Somanna and he is fine.

I am writing this to inform you that no reply has been received by us from the Air HQ New Delhi in connection with attachment of my husband to Bangalore. I really appreciate you for having taken up this matter by understanding my problems at this juncture. I personally feel bad to trouble you again and again regarding this matter, but-

unfortunately I have become ill by
the present at the moment. Hence I
request you to hasten up this matter
and help me in this regard.

Thanking you.

Yours Sincerely
Devaraju.
